An object and three possible explanations

Which details support an explanation of an invented historical object?

Visible or supplied details

List details before proposing a use.

Three possibilities

Name alternative explanations that could fit the drawing.

Support and doubt

Which clue supports an idea, and why is it not decisive?

Next evidence

What further record would help distinguish the explanations?

Keep it, change it or leave it here. Sharing is optional.

A timeline with honest gaps

How can I order supplied records while making missing information visible?

Record dates

Which date belongs to each supplied record?

Supported order

Arrange the three dated records.

An honest gap

Show where the revision can go without choosing an exact year.

Careful caption

What can the set establish, and what would be an overclaim?

Keep it, change it or leave it here. Sharing is optional.

Separate a picture from its caption

Which claim comes from visible detail and which depends on a record?

What I can point to

List visible details without a date guess.

Claim made by the record

What does the separate note say, and who wrote it?

An unsupported addition

Which part of Opening day is not supplied by evidence?

My careful label

Write a description that attributes the note and keeps uncertainty visible.

Keep it, change it or leave it here. Sharing is optional.
